Use this size chart as a guide when selecting your Muck Daily Garden Shoes. Make sure that the back of your foot is lined up with the corner of the paper. The outlines shown are the sizes of the insole inside each shoe. Remember to leave enough room for your big toe so that it does not rub against the front of the shoe.

Line the back of your foot up to the corner of the paper, so that you can just see the tip of the paper behind your heel.
